Vishen Lakhiani (/s=&search-filter-guest-name=Vishen%20Lakhiani), MindValley (/s=&search-filter-company-name=MindValley), Comeback (/s=&search-filter-tag=1265), Customer Acquisition (/s=&search-filter-tag=1206), Educational Company (/s=&search-filter-tag=1178), Mental Game (/s=&search-filter-tag=1183), Wow People (/s=&search-filter-tag=1238)

Today's interviewee is a guy who called himself a mediocre entrepreneur, who previously got shot down when he tried to get funding, and yet he took \$700, only \$700, and built a company that's now valued at over \$40 million.

Vishen Lakhiani is the founder of MindValley (<http://www.mindvalley.com/>), an education investment group that builds and invests in education businesses.

Andrew: Hey there, freedom fighters. My name is Andrew Warner. I'm the founder of Mixergy.com, home of the ambitious upstart.

And this interview is sponsored by Walker Corporate Law. You're going to find out about him specifically, actually, when we get to the point in this interview where we talk about the legalities of how to form your company.

But for now I want to introduce you to today's interviewee. He's a guy who called himself a mediocre entrepreneur, who previously got shot down when he tried to get funding,

and then he came back and he was a success story.
