

Write Private & Social Notes & Journal

Insights is a powerful new tool that enables anyone to easily take beautiful notes and discover, organize and share ideas with the click of a button.

Attach Learning Objects Across The Web

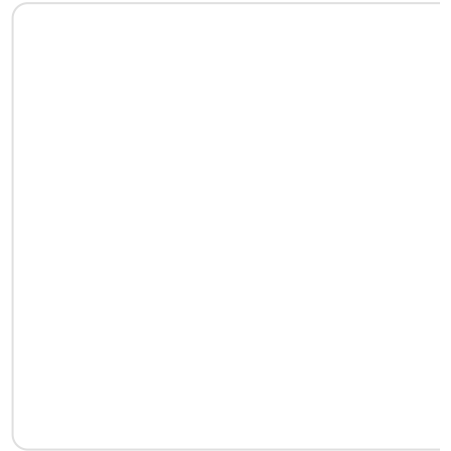

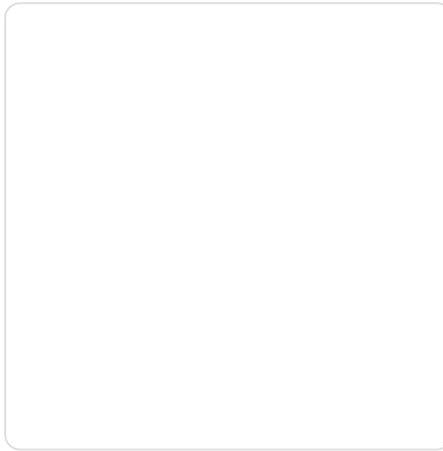

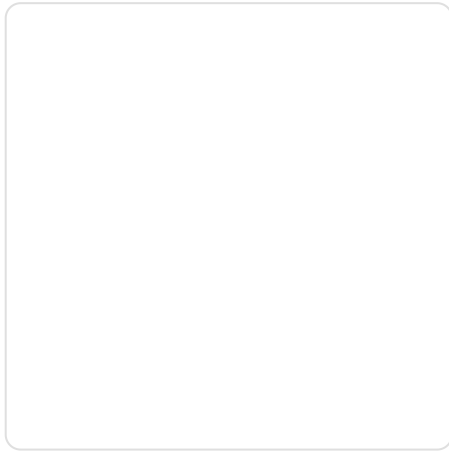

Connect your Insights to digital media to take notes, review and share content.

Instantly publish your thoughts on movies, articles, books, podcasts and videos with a global network.

Mindvalley Program

Books

Mindvalley Events

Seamlessly Integrated With Your Mindvalley Account

With Insights, Mindvalley students can easily browse notes and share their 'aha' moments.

Effortlessly tag Mindvalley programs & attach Insights to individual Quest chapters.

Journal privately, or take your Insights public to discuss your breakthroughs with your peers.

Subscribe To The Smartest & Like-Minded Brains

Follow fellow students and share articles, videos and stories from any publication, page or app with your community.

Incredible Meditation

Meditation

Anxiety

Relax

+2

I've been doing this meditation everyday for almost a year, now. So far, it is the only thing to consistently help my anxiety and depression. It's changed my life. I cannot over express my gratitude. Thank you all, so much.

I love the way the guided meditation is designed with 6 phases which lets us e..
